

FHC 760 Narrow Stile Mall Slider

FHC Sliding Door Systems

DESIGNED FOR INTERIOR APPLICATIONS

CSI DIVISION 08

SECTION

08 4226

The **760 Narrow Stile Multi-Slider** is designed to be a bottom rolling multi-track system. The newly designed interlock gives you the ability to add or remove panels based on your application. Large span openings can easily be filled with the **760 Narrow Stile Multi-Slider**. With the heavy-duty tandem rollers installed, you get a smooth effortless glide over the bottom track every time. FHC will fabricate the slider to your dimensions to make sure it is a perfect fit.
