

# FHC<sup>®</sup> *NEXT-GEN* SHOWER HINGE

Patent Pending

The Next Generation  
**Safer, Stronger & Installer-Friendly**

## A NEW BENCHMARK FOR PERFORMANCE & RELIABILITY

Introducing the new **FHC NEXT-GEN Frameless Shower Hinge**. The patent-pending design features an integrated, factory-bonded gasket made of a specially formulated glass grip material, embedded in a recessed body. This design not only eliminates slippage, a common issue in conventional hardware, but also dramatically simplifies installation, saving valuable time for glaziers and installers. **Tested to Over 1 Million Cycles**, to put it into perspective: if you opened your shower door 20 times a day, every day, this hinge would last over 130 years.

## Features, Advantages & Benefits

### CERTIFIED PRODUCT

Tested to over 1-Million Cycles, Offering Unmatched Holding Power, Simplicity, and Longevity.

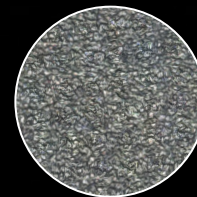

### INTEGRATED RECESSED GASKET GROOVE

Eliminates Loose Gaskets, Slippage and Alignment Issues, and Dramatically Simplifies Installation.

### GASKET SELECTION SIMPLIFIED

No More Worrying About Selecting the Wrong Gasket Thickness, NEXT-GEN Hinge Gaskets Arrive Pre-Applied and Factory-Bonded.

### TEXTURED GASKET SURFACE

Special Formulated EPDM Integrated Gasket Features a Slight Textured Surface, Ensuring Exceptional Glass Grip and Hold When Loads are Applied.

### WARRANTY

Industry-Leading 15-Year Warranty.
